Read:- From the Collector of Bellary, Roc.No.2428/50-P.1 dated, 24-2-1950.

Submitted to the Government.

2) The Collector of Bellary has asked for the appointment of a Taluk Head Accountant and a peon for the proper accounting of the money transactions. The Board agrees with the Collector that the employment of additional staff is necessary, but considers that the employment of an Upper Division Accountant instead of a Taluk Head Accountant is sufficient and that there is no need for the employmen of an extra peon. The Board accordingly requests that sanction may be accorded to the employment of an Upper Division Clerk on Rs.80-11 per mensem for a period of 3 months for the work connected with the maintenance of Accounts in the Collector's office, Bellary.

3) As the matter is urgent, the Board requests that urgent order's may be passed and communicated to the Collector.

4) The expenditure may be debited to '85-A. Capital outlay on Provincial Schemes of State Trading a. grain supply scheme - M. Establishment and other charges."

Roc. No.2428/50 P.1 dated, 24-2-1950.

Subject:-Civil Supplies - Establishment - Bellary District - Export of procured millets to Salem Ordered by the Board - Additional staff - Sanction - Requested.

Read:- Board's Ref. No.B.10211/50-2 CS dated, 24-1-1950.

The Board in its reference cited above, has ordered that 2500 tons of millets procured in this district should be exported to Salem District. The Collector of Salem has nominated 10 merchants from the different places of his district to advance money for the purchase of procured grains. All the merchants nominated by the Collector of Salem have sent advance amounts by demand drafts and the others have issued letters of credit on different Banks with whom they have got current accounts. A personal deposit account of the Collector for the export of grains has got to be opened and the Demand Drafts received from the merchants have to be cashed and credited to the Collector's personal deposit. Further a separate merchants ledger has also got to be maintained for the debits and credits of each merchant. The procuring agent, viz. the B.C.C. Stores, Bellary, as soon as it books the millets gets the R.Rs. and the data sheet for check and for payment of the amount to the B.C.C. Stores, Bellary. The amounts due to the B.C.C. Stores has got to be paid by means of cheques on the Banks.

All the above items of work are in addition to the existing routine work of the C.S. section and the existing staff will not be able to attend to this additional work without determent to their regular work. The additional work involves scrutiny of bills, issu of cheques and Maintenance of cash accounts etc., and therefore, requires a senior accountant.i.e. of the Cade of a Taluk Head Accountant. The services of a peon is also essential as he has to take cheques and demand drafts to different banks.

I, therefore, request that the Board be pleased to sanction the appointment of a senior accountant and a peon for a period of three months in the first instance. As the matter is urgent, the favour of telegraphic orders is solicited.
